

## **Clinton Township Parks and Recreation Youth Athletic Uniform Policy**

All athletes **MUST** wear the uniform shirt given, in order to compete in any CTPR competition. The uniform must comply with the policy stated below.

1. Coaches are responsible for distributing uniforms to their team members.
2. Any problems with sizing should be directed to the CTPR office.
3. Uniforms cannot be altered in any way – if tailoring is required to make a uniform fit appropriately – please see the CTPR office staff for permission.
4. Team uniforms cannot be modified in anyway – no decorations, additions or reductions in size shape or design are allowed.
5. New this year – names may be added to the uniform, if desired, under the following criteria only:
  - a. Names can only be added to the back of the shirt **UNDER** the number.
  - b. Names cannot cover any part of the team name or number and may not extend past the uniform shirt in any way.
  - c. Names must be the **SAME COLOR** imprint as the numbers on the uniform.
  - d. **ONLY** athlete's Last Names can be attached to a uniform shirt (no nicknames or other wording). If there are two siblings on a team a first initial can be used to distinguish one from the other.
  - e. The cost of adding names to the uniform must be the responsibility of the individual families.
  - f. Ordering names must be done by individuals or teams. The CTPR office will not make or place orders. First Impression of Clinton Township is available to provide this service at \$5.00 per athlete – contact them directly at 783-5210.
  - g. Adding names on uniforms is an option and is not a requirement. Coaches cannot make it a requirement of their team families. This new option will be evaluated at the end of the season.
